## ◆ EPISODE OF FOUNDATION FOUNDER'S THOUGHT

We have continued to do business as a manufacturer specializing in shogi (Japanese chess) pieces for four generations. At the time of our founding, we manufactured cheap popular products. Presently, however, we manufacture a wide variety of products ranging from a set of pieces for beginners to high-end pieces called "moriagegoma" that are used in title matches, etc.

## ◆ CRAFTSMAN'S THOUGHT, COMMITMENT RELATIONSHIP WITH THE COMMUNITY

We devote ourselves to manufacturing shogi pieces with the utmost care so that users of our products can play shogi comfortably. We conduct all processes in-house, from purchasing logs as raw materials to drying them and making shogi pieces.

◆ Product information
