◆ EPISODE OF FOUNDATION FOUNDER'S THOUGHT

The founder of Shinjo Higashiyama-yaki, Yahei Wakui was originally a potter from Echigo Province. As he moved from one place to another around Japan to train, he became fascinated with pottery clay in Higashiyama, and in 1841, established Higashiyama-yaki pottery, an official kiln for the Tozawa Clan of Shinjo.

""Produce practical daily-use pottery"" has been our family rule since the first generation.

◆ CRAFTSMAN'S THOUGHT, COMMITMENT RELATIONSHIP WITH THE COMMUNITY

I endeavor to produce items that match with the times and that are required by customers, adhering to the basics of traditional pottery-making passed down from the Edo period. To this end, I spare no effort in improving my skills every day so that I am able to deliver pottery that pleases customers.

My family has been making pottery for seven generations using quality clay for pottery found on our premises as well as various glazes handed down within our family, including namakoyu (literally, sea cucumber glaze) that represents the color of Dewa Province's snow in the shade.

Product information
