## ❖ EPISODE OF FOUNDATION FOUNDER'S THOUGHT

Kamiya Sakuzaemon was founded in 2017 to preserve the tradition of washi (Japanese paper) for future generations. Our workshop is located in Nishikawa-machi, a rural location surrounded by the Three Mountains of Dewa (Mt. Gassan, Mt. Yudono and the Asahi Mountain Range) and which receives Yamagata prefecture's greatest amount of snowfall in winter. The rich natural surroundings allow us to live and work in harmony with the natural world. Gassan washi is a type of handmade traditional Japanese paper with a history of nearly 400 years. Its production and use have been closely associated with traditions of mountain worship in the Three Mountains of Dewa area. Kamiya Sakuzaemon produces handmade washi, employing and preserving centuries-old methods. I trained in papermaking in Kyoto and relocated to Yamagata after hearing from papermaking artisan Mr. Miura that the making of Gassan washi was about to die out because of the absence of successors.

## ❖ CRAFTSMAN'S THOUGHT, COMMITMENT RELATIONSHIP WITH THE COMMUNITY

Handmade washi production involves numerous processes, each requiring loving care and attention, which we believe makes each and every sheet special. Although today washi is used less and less in our everyday lives, we look forward to preserving the rich tradition of handmade washi while creating both paper and paper products capable of complementing today's lifestyles.
